American Society for Public Administration

2019 ANNUAL CONFERENCE

March 8-12, 2019 | Washington, DC | Mayflower Hotel

The American Society for Public Administration (ASPA) 2019 Annual Conference will bring together the best minds in the field to discuss and debate society's most critical challenges and identify ways we can make a difference. Focusing on this year's theme, *A Call for Action: Advancing Public Service*, panels, workshops and discussions will highlight innovative scholarship and tested on-the-ground practices that definitively advance public service in the United States and beyond.

This conference is a *call for action* on some of our most significant challenges:

- **Global Public Administration**
- **Infrastructure**
- **Public Finance**
- **Public Service**
- **Social Equity**

Those who are dedicated to the public good must answer the call.

Whether you serve on a panel or participate from the audience, start planning today to be in Washington this March. Visit our website to learn more about what is being planned. Five tracks mean you can attend focused panels from just one track or mix and match panels throughout the event. Craft the conference experience that is right for you!

**Our launch rate of \$399 (members) expires on Sept. 28!
